Principal Report

JJ reports that security cameras have been installed. Ipad cart that was ordered is not at school yet.

Treasurer's report

Sk8 Night made \$363 and \$350 was distributed between all the grades and spent on recess equipment.

We have given \$1500 (\$750 each) to Art teachers to purchase supplies and we paid for A/R testing for library which was \$2,674.

We were given a \$700 credit for 40 yearbooks (overages) from 2012-2013 year.

Boosterthon Fun Run will need money counters for all day shifts.

Michelle attended sales tax seminar and let us know when we purchase any items for PTO, we should use a sales exempt tax ID form. We have preprinted forms for anyone making purchases.

Fundraising Update

School Tool Box school supply company will deliver to home for free if purchase is over \$50.

Erin discussed Mindy Harmon Photography fundraising option. They have offered to do a photo session with a \$35 sitting fee that will go back to PTO. Packages would start at \$165. General consensus voted against this for right now.

Erin showed everyone the Boosterthon Fun Run shirt each child gets, regardless if they participate or not.

PTO will decorate school for Boosterthon Fun Run, with the “camp” theme. We will ask teachers to have a decorating contest and decorate their doors with the “camp” theme as well. The winning class from each grade will receive a smore party.
